

Norene Freeman

Although people today are smart, ambitious, and educated, there are times when we worry about where we're going, how we're doing, and what we're missing. We want prosperity AND peace. We want happy, successful children AND a safe, healthy world. We want overflowing abundance AND perfect balance. What can we do about it? Partner with the Power within and create heaven on earth!

What People are Saying About Norene ...

"... Warm, wise, and wonderful. Norene connects with audiences heart and soul, dispensing wisdom through real life stories. She helps us see different ways to look at the world and her wonderful energy encourages us to dream about what could/can be!" Deborah Hoffman, Power of Positive Women

"Norene Freeman is without question one of the most engaging speakers I have ever heard! Her charm, warmth, and wisdom enthrall audiences and compel them to absorb her forever-interesting messages."

Arthur Andrew, Army National Guard

"Norene is a gifted storyteller who captivates audiences by speaking from the heart. She moves people in many ways and makes you feel like she is talking just to you !"

David Hill, Advanced Business Systems

Norene Freeman, MSW is an engaging and entertaining speaker, communications coach, human potential consultant, and television host. She taught public speaking at Southern NH University, received her MSW from Boston University and her BA in Speech Communications & Theater Education from Boston College. She's enjoyed successful careers as a psychotherapist, educator, and human service director.
